

# Decomposing

Play the game, can you work out how it works?

**Game Character: Who is the main character? What does he do?**

**Game rules – what are the main rules within the game?**

**Is there an 'antagonist' (i.e. villain or enemy)? How does the user beat them?**

**How does the game end?**

**How do you win or progress to the next level?**

**If you could modify the game, what changes would you make?**

**What will you include in your own game?**
