# Digital Footprint.

# A THUNK!

What are Hansel and Gretel doing?

# A THUNK!

Hansel and Gretel are leaving breadcrumbs behind them so they can find their way back.

# *What makes UK a good citizen?*

In groups, list 5-10 things which makes someone a good citizen of the UK and 5-10 things that make them a not so good UK citizen.

# *What makes a good digital citizen?*

In groups, list 5-10 things which makes someone a good digital citizen and 5-10 things that make them a not so good digital citizen.

# *Are these the same characteristics?*

Do you think that there are the common rules that should be followed regardless of whether its as a UK or a digital citizen?

# *What makes a good citizen?*

- + Volunteer to be active in the community
- + Be honest and trustworthy
- + Follow rules and laws
- + Respect the rights of others
- + Be informed about the world around them
- + Respect the property of others
- + Is compassionate
- + Take responsibility for their actions.

# *Would a good digital citizen take a copy of someone's music or film?*

- + Is this the same for a physical copy?
- + Is this theft?
- + Are you breaking the law?
- + What law covers this?

# *The Copyright, Designs and Patents Act 1988.*

- + Taking a copy of someone media without permission breaks this law
- + For doing this you could be fined £5000 and/or 6 months in jail
- + Digital theft is still theft

# Digital footprint.

What do you think this is?

What does it included?

# *Personal information.*

Personal information is something that can identify you, for example your name, date of birthday or address.

These should be kept private on social media.  
Why do you think this is?

# *Research task.*

Using the internet, answer the following questions:

1. What is included in my digital footprint?
2. How long does my digital footprint go back?
3. Can anyone see my digital footprint?

# *Positive footprint.*

What are the sort of things you could do to have a positive footprint?

Why would this be beneficial to us?

# *Does something not look right?*

If you have been tagged in a post that you don't feel gives you a positive footprint. What should you do?

- + Ask to be untagged
- + Untag yourself
- + Contact the company
- + Check your settings again (sometimes they are changed in new updates)
- + Talk to a responsible adult about it

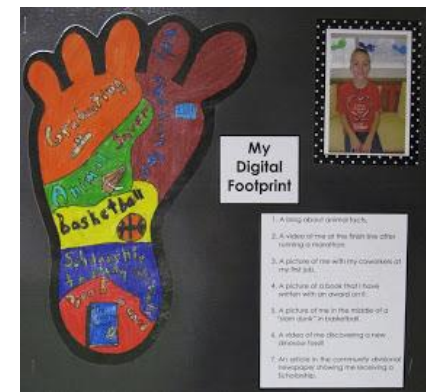

# 5Ps for a positive footprint.

# Footprint Art Wall.

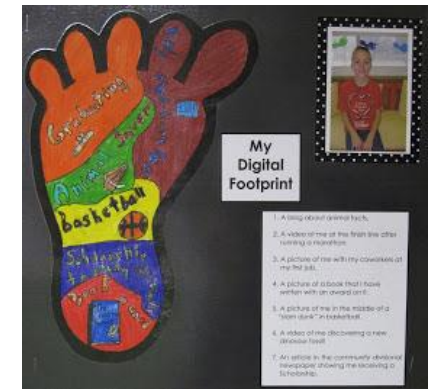

Drawing around your right foot on a A4 piece of paper. Create a piece of art that shows other how to have a positive digital footprint.

# Footprint Art Wall.

Drawing around your left foot on a A4 piece of paper. Create a piece of art that shows what information about yourself, you would be happy to put on your digital footprint.

# *Social media settings.*

The settings on your social media are vital.

- You should set posts so that only friends can see them
- Do not include any personal information
- Stop search engines accessing your profile
