# True or False.

Is everything you read on the Internet true?

# ***FACT VS OPINION.***

Using your worksheets complete the five questions about you.

Then with you neighbour discuss which are facts, which are opinions and why?

# ***FACT VS OPINION.***

A fact is a thing that is known or proved to be true.

An opinion is a view or judgement formed about something, not necessarily based on fact or knowledge.

## So which are which in your answers?

# *Can a opinion be biased?*

Bias is where somebody favours one thing over another. This could be because of their beliefs, morals or ever what is popular.

For example : Computer science is the best subject at school.

# *Can a opinion be biased?*

Do you think websites can be biased?

Victorian Robots -

SCHOOLHOUSE  
together with

# *Information or data????*

Data is a collection of numbers, words, image or date without a context.

For example: 2, 7

# *Information or data????*

Information is a collection of numbers, words, image or date with a context or meaning.

For example: 2, 7 are the ages of my cats

# *Searching for the answer.*

Most people today would use the internet to search for information. However before this this was done using books.

# *Searching for the answer.*

You now need to use the library to answer the next five questions on your sheet.

# *True or False?*

Is the information you find in books always true?

What is the difference between fiction and non-fiction?

# True or False?

Is everything you find on the internet true? Like in books?

# *Website Ranking.*

Website ranking is the way in which sites are listed, as the results of a search

This is determined by an **algorithm** which takes into consideration a large number of different factors. However, it shows the site which it thinks is most relevant to the search first.

Does this mean you should always pick the first website?

# *True or False WebQuest.*

Complete the questions on your WebQuest. Be careful with the websites you use and check them for possible bias.

# *True or False WebQuest.*

Now it is your turn to create a 10/15 question WebQuest. See if you can make the questions challenging.
